DESCRIPTION

Located in Premia de Dalt, just 25 minutes away from Barcelona.

It consists of a defense tower of the S. XIV, a Gothic farmhouse S. XVI-XVIII, an adjoining cellar and in the same yard, a house with stable and barn, both the S XIX. The tower, a square, has ground floor and 4 floors, a four pitches roof, Gothic windows,

small windows, on the top floor, dating from the XIV century. This farmhouse, with a central body and a gabled roof, was renovated by the year 1759, adding sinuous facade of baroque inspiration, topped with "green" green glazed ceramic.

The construction is high quality, was remodeled in 1930 and is in good condition. New floor slabs in many areas of the house and cellar from 1990.
